iLevel Solutions Announces Strategic Distribution Partnership with J.H. Cohn
J.H. Cohn's Private Equity Services Practice to Sell iLevel's Portfolio Company Reporting System Solution

New York, NY (September 10, 2009) – iLevel Solutions, a leading provider of portfolio performance analysis and reporting solutions, today announced it has signed a strategic distribution agreement with J.H. Cohn LLP, the largest independent accounting and consulting firm in the Northeast, to market, distribute, and provide deployment services for iLevel's [Portfolio Company Reporting System](#) (PCRS) solution.

iLevel provides an innovative suite of commercial software products targeted at the Alternative Investment Management market. iLevel's flagship product, The Portfolio Company Reporting System (PCRS), is a completely integrated solution enabling private equity firms to gauge the financial health of the companies in their portfolios. With PCRS, the focus of analysts and deal teams shifts from data collection to reporting, analysis, risk mitigation and investigating new opportunities. Through the use of PCRS, investment professionals gain access to critical fund and portfolio data along with key financial and operating metrics with ease and speed. Information is available through flexible, Excel-based dashboard views, configurable graphical reports with drill-down capabilities, and user-defined analyses for instant insight into critical metrics.

"J.H. Cohn provides a full variety of support services to private equity firms including acquisition, audit, tax, and consulting services. Adding iLevel's PCRS solution to our suite of services further enhances the value that we are able to provide to our clients," stated Steven Pinsky, Principal and Practice Director for J.H. Cohn's Private Equity Services. "Faced with a difficult economy, private equity executives are keenly focused on portfolio performance. The PCRS application will enable our clients to take advantage of a platform that will deliver clear, consistent and timely reporting of company level data."

"We are very happy to have J.H. Cohn as a strategic reseller partner," stated Hank Boggio, Chief Marketing Officer of iLevel Solutions. "As a trusted advisor to the middle market, J.H. Cohn is well known and highly respected for their expertise and technical knowledge. This alliance builds upon the strengths of both companies and enables J.H. Cohn to offer our configurable, Web-based portfolio management solution to their clients."
